NOTICE OF INTENT TO SELL EXCHANGE AND
CHANGE TELEPHONE SERVICE PROVIDERS

July 29, 2004

Dear Searsboro Telephone Customer:

This notification is being provided to you on behalf of Searsboro Telephone Company, Inc. ("Searsboro Telephone"), and Killduff Telephone Company ("Killduff Telephone").

It has been a privilege for Searsboro Telephone to serve you and other customers located in Killduff. We have appreciated your business, and thank you for these opportunities.

Competitive changes and realignments in the telecommunications industry, however, have led to Searsboro Telephone's decision to sell the telephone exchange serving the community of Killduff to Killduff Telephone. Once the sale is complete, Killduff Telephone will begin providing telecommunications services to our customers located in Killduff. This sale has been a difficult decision, but it is one that we believe will serve the best interests of our customers over the long term.

Killduff Telephone possesses the ability and experience necessary to meet your telecommunications needs in the future. We are confident that when the transfer of the exchange occurs, it will be a smooth and seamless transaction that will cause no service interruptions or other inconveniences to affected customers.

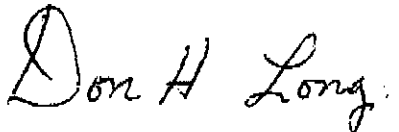

When the sale becomes complete, the transfer of your local telephone account to Killduff Telephone will be automatic, and your local service -- including your dial tone, your telephone number (or numbers), Internet access and Emergency 911 services -- will all continue to operate without interruption. The sale is expected to be completed within the next two months, and the rates, terms and conditions of service to be provided by Killduff Telephone will remain the same as those provided by Searsboro Telephone.

If Searsboro Telephone is your current long distance service provider, Killduff Telephone will provide your long distance service after the transaction, even if you have requested a preferred carrier freeze, unless you have selected another carrier before the date Killduff Telephone acquires the Killduff exchange. You will need to contact Killduff Telephone to arrange for a new preferred carrier freeze. It is important to note that if you subscribe to long distance service from a company other than Searsboro Telephone, your choice will not change, and that company will remain your long distance provider after the sale has been completed.

Please note you may change your telecommunications service provider at any time to any alternative service providers that have been authorized to provide service in your area.

We thank you for your business. If you have any questions with regard to this notice, or if we may assist you in any way during this transition, please contact us toll free at 1-800-828-0107.

Sincerely,

Searsboro Telephone Company, Inc., and
Killduff Telephone Company
